I want to play videogames SO BAD!

But my mom said go play outside.

Because she is MAD!

And I have to do chores too.

And I didn't want to so I lied.

But I want to be inside.

To play videogames!

My mom found out.

And she yelled

JAMES COME HERE NOW!
JAMES COME HERE NOW!

I ran as fast as I could

And I tripped over wood.

Ouch!

My mom said are you ok?

I said yes crying in tears.

We went inside.

And I got to play ...
